# My Sample Output

This is how i compile my project. And these are my results:
- 1) Aircrafts are read from scenario.txt then registered to tower
- 2) Number of simulation are run updating weather conditions
- 3) When height of an aircraft is 0 or less it is unregistered from tower

```
star@star-HP-ProBook-4520s:~/Desktop/avajLauncher$ find -name *.java > sources.txt
star@star-HP-ProBook-4520s:~/Desktop/avajLauncher$ javac -sourcepath . @sources.txt
star@star-HP-ProBook-4520s:~/Desktop/avajLauncher$ java azulu.main.Main scenario.txt
star@star-HP-ProBook-4520s:~/Desktop/avajLauncher$ cat simulation.txt
Tower says: Baloon#B1(1) has registered to weather tower
Tower says: Baloon#B2(2) has registered to weather tower
Tower says: JetPlane#J1(3) has registered to weather tower
Tower says: Helicopter#H1(4) has registered to weather tower
Tower says: Helicopter#H2(5) has registered to weather tower
Tower says: Helicopter#H3(6) has registered to weather tower
Tower says: Baloon#B3(7) has registered to weather tower
Tower says: JetPlane#J2(8) has registered to weather tower
Tower says: Helicopter#H4(9) has registered to weather tower
Baloon#B1(1): OMG! Winter is coming!
Baloon#B2(2): Let's enjoy the good weather and take some pics.
JetPlane#J1(3): Nice sun, its summertime
Helicopter#H1(4): It's snowing. We're gonna crash
Helicopter#H2(5): Can't see a thing!
Helicopter#H3(6): It's snowing. We're gonna crash
Baloon#B3(7): Let's enjoy the good weather and take some pics.
JetPlane#J2(8): Nice sun, its summertime
Helicopter#H4(9): It's snowing. We're gonna crash
Baloon#B1(1): OMG! Winter is coming!
Baloon#B2(2): Let's enjoy the good weather and take some pics.
JetPlane#J1(3): This white thingy makes me cold
Helicopter#H1(4): Can't see a thing!
Helicopter#H2(5): Can't see a thing!
Helicopter#H3(6): It's snowing. We're gonna crash
Helicopter#H3(6) landing.
Tower says: Helicopter#H3(6) has unregistered from weather tower
JetPlane#J2(8): Nice sun, its summertime
Helicopter#H4(9): It's snowing. We're gonna crash
Baloon#B1(1): OMG! Winter is coming!
Baloon#B2(2): OMG! Winter is coming!
JetPlane#J1(3): Giants are smoking. Can't see clearly
JetPlane#J1(3) landing.
Tower says: JetPlane#J1(3) has unregistered from weather tower
Helicopter#H2(5): This is hot.
Baloon#B3(7): Let's enjoy the good weather and take some pics.
JetPlane#J2(8): Nice sun, its summertime
Helicopter#H4(9): It's snowing. We're gonna crash
